

高雄市鳳山國中115學年度(上)整潔工作分配圖

The diagram is a comprehensive floor plan of Fengshan National Junior High School, detailing the layout of various buildings and outdoor spaces, along with assigned cleaning responsibilities for the 115th academic year (first semester).

Key Buildings and Areas:

- 實踐大樓 (Practice Building):** Located on the left side, featuring multiple floors (1F to 4F) with classrooms, laboratories, and administrative offices. It includes a large staircase (樓梯111) and a resource recycling area (資源回收場).
- 弘道大樓 (Hondō Building):** Located in the upper middle section, containing science, music, and technology classrooms.
- 明德大樓 (Mingde Building):** Located in the lower middle section, housing science, music, and technology classrooms.
- 明哲大樓 (Mingzhe Building):** Located on the right side, featuring science, music, and technology classrooms.
- 明新大樓 (Mingxin Building):** Located at the bottom right, containing science, music, and technology classrooms.
- 操場 (Sports Field):** A large oval-shaped area in the center, used for sports and outdoor activities.
- 籃球場 (Basketball Court):** Two courts are shown, one on the left (308) and one on the right (305).
- 跑道 (Track):** A running track surrounds the sports field, with various lanes and water drainage systems.
- 廁所 (Toilet):** Multiple toilet facilities are distributed throughout the campus, including indoor and outdoor options.
- 走廊 (Corridor):** Numerous corridors connect the buildings and outdoor areas, with specific cleaning assignments.
- 樓梯 (Staircase):** Several staircases are marked, indicating cleaning responsibilities for these high-traffic areas.
- 花園 (Garden):** Various garden areas are scattered throughout the campus, including a large central garden and smaller courtyards.
- 停車場 (Parking Lot):** A designated area for vehicles, located near the central sports field.
- 機車棚 (Motorcycle Shelter):** A shelter for motorcycles, located near the parking lot.
- 柏油地 (Asphalt):** Various asphalt areas are marked, including parking spaces and walkways.
- 鐵欄 (Iron Fence):** A fence line is shown, separating the school grounds from the surrounding area.
- 側門 (Side Gate):** A side entrance to the school, located near the parking lot.
- 後門 (Back Gate):** A back entrance to the school, located near the resource recycling area.
- 前門 (Front Gate):** The main entrance to the school, located at the bottom center.
- 捷運站 (MRT Station):** The nearest MRT station, located at the bottom left.
- 校門口 (School Gate):** The main school gate, located at the bottom center.
- 地磚 (Floor Tiles):** Various floor tile areas are marked, including courtyards and walkways.
- 水溝 (Drainage System):** A network of drainage systems is shown, including water drains and water collection systems.
- 綠化 (Greening):** Various greening areas are marked, including lawns and planted areas.
- 其他 (Other):** Other areas include a resource recycling area, a motorcycle shelter, and various outdoor spaces.
